

Cushionwood Modular LVT Flooring

Comfort comes in many forms and fashions. The feel underfoot, the mood created by colour and grain, and the minimisation of noise levels.

As its name suggests, Cushionwood Modular features extra thickness for less sound transfer, and a longer plank for a more elegant visual.

- Modular 'drop down' plank technology.*
- Extra thickness delivers superior comfort cushioning underfoot and effective sound minimisation.
- Fibreglass reinforcement for greater stability.
- A heavy wear layer provides excellent durability.
- PUR surface treatment for reduced maintenance.
- Long plank format for quick and easy installation.
- Phthalate Free. Contains no harmful fillers nor harmful plasticisers.

**after applying a pressure sensitive adhesive to the subfloor.*
