

specifications

style name zenit / lineations

production method tufting

construction 1/10" Bitumen + non woven

pile composition 100% PP Stainsafe

pile weight Ca. 550 g/m²

total weight Ca. 4.300 g/m²

pile height Ca. 4 mm

tuft density Ca. 212.760/m²

total height Ca. 7 mm

size 50 x 50 cm

packaging 5 m²

antistatic < 2kV

flammability tests

CRF: 8.3kW/m² AS/ISO 9239.1
Smoke: 98.1%

sound insulation

22 dB

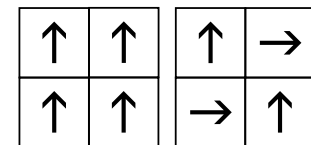

fastness to light

5-6

water fastness

4-5

recommended installation method

unilay

1/4 turn
